HEAT CUSHIONS

Warmth does good!

“Caution – use!” The frog hops off the shelf and the cherry stones in his tummy can be warmed quickly in the kitchen. Frog’s little friend goes off to bed, but she is crying – “my dear little friend, what is the matter?” “Oh Frog, my tummy aches” “Then let me help your aches and pains go away”. He smiles at her, slips under the blanket and lies down on her aching tummy. She feels the wonderful warmth on her tummy. A little smile: “Mummy, my frog is magic!” “Of course I am,” the frog thinks, and both the little girl and her frog friend sleep happily: warmth and cuddling are among the nicest experiences in To make sure they are always fresh for cuddles, they can enjoy a bath in the washing machine if the cherry stone pillow is removed.

The heat cushions are only available in Germany, Austria, Switzerland, Luxembourg, Belgium, France, Monaco, Holland, USA, UK, Ireland, Australia, South Africa, Taiwan, China, Singapore and Hong Kong.
